

The Pennant

20 August 2021

Newsletter of the Cayuga Lake Cruising Fleet

I mean, who really care about the results anyway? Am I right?

I am most certainly right in getting the results wrong. But... Like they always say, if you don't get your finish in to the scoring committee then the newsletter committee will just make stuff up and you may not like what they write. So neener. Get your finish places and times to Lauren after you finish racing, please. That way you can get your favorite newsletter earlier maybe.

Speaking of results...

The newsletter committee isn't even going to ask the scoring committee for those today! No, indeed, we're just going to go ahead and make stuff up! But first, let's see where we are, already, in the distance series... Oh. Right. We've had two races! And we're going to, actually, have another one tomorrow! No, really! At this point I think we'll have four boats racing up to Red Jacket!

The Official 2021 50 Mile Night Race!

Ha ha. You might have noticed that this Pennant bears a resemblance to one that you've already seen. That's because... It's been awfully close to the same one so far! But we don't care about the night race any longer, now, do we? No! We need to focus our energies on BOTY! And VAVOOM! And Red Jacket (which is, again, TOMORROW!!!).

I had to go and say it, didn't I?

It is kind of cute and fun having the Pennant template with all of these great nonsensical headings.

Summer (the VAVOOM series) ended!

Summer ended and we had a race and Ranjit made us yummy stuff on the grill. Liz set a course to B Latitude and we all went out and did our very best and raced and whatnot. Hmm. Most of us raced. Some of us raced? *Mojito* raced with a wedding party aboard (congratulations Ayla!!! Oh, and Tim and Lisa!), *Squabbles* raced for only the second time, *Viento* blew a great big puddle of oil and didn't race at all, *Invictus* did some of that racing stuff minus her owner, most of the usual suspects (minus *Fantasy*? Mic! Eberhard! Where were you?) for the VAVOOM series raced!

And so... Well, we have something like results. They still need some work and what the heck with boats not turning in finish times/places???

VAVOOM series scores, kind of!

Boat	Race 1 (6/27)	Race 2 (7/11)	Race 3 (7/18)	Race 5 (8/08)	Race 6 (8/15)	Total
<i>Snitch</i>	1	3	3	2	2	11
<i>Grey Owl</i>	9 (dnc)	1	4	1	4	19
<i>Mojito</i>	2	4	6	4	5	21
<i>Mehitabel</i>	4	9 (dnc)	2	3	3	21
<i>Adelante</i>	6	2	5	5	6	24
<i>Wild Guinea Pig</i>	11 (dnc)	11 (dnc)	1	12 (dnc)	1	36
<i>Peter Lent</i>	5	9 (dnf)	8	7	8	37
<i>Viento</i>	3	5	7	12 (dnc)	13 (dns)	40
<i>Squabbles</i>	12 (dnc)	12 (dnc)	12 (dnc)	6	7	49
<i>Fantasy</i>	7	9 (dnf)	9	12 (dnf)	13 (dnc)	50
<i>Sundance</i>	11 (dnc)	11 (dnc)	11 (dnf)	12 (dnc)	13 (dnc)	58

We'll update these as we work through the rules -> there's probably a throwout and *Invictus* (in particular) didn't report her finish place for the penultimate race.

Ooh! Liz! I suggest adding new scoring categories! RDR! ("Raced but didn't report place/time within 24 hours") I think we could make this one be worth DNC+1. Then we could have BBB ("Bad! Bad boat!") which would have the same score but would be what RDR becomes without recourse after one week of non reporting. What do you think??? Well, just a thought!
